## Lettings Policy

September 2023

Review September 2024

### **Policy Objectives**

The governors have delegated day-to-day responsibility for lettings to the Head of School. This policy outlines school guidelines for operation of Lettings at St Francis Catholic Primary School.

### **Statement of Intent**

The governing body accepts its responsibility to administer the letting of the school premises, understanding:

- that school premises represent a significant capital investment and should be fully utilised;
- are a valuable community resource;
- are used for educational purposes;
- that a profit margin would be welcome when derived from private or commercial usage but are not the objective when facilitating educational activities;
- that St Francis Catholic Primary School is committed to fostering high expectations and developing the full potential of each individual that they become compassionate, interdependent, lifelong learners, striving to create a better and more peaceful world. Our priority usage supports this ethos.
- that school premises are a useful resource for the staff in order to support the governor's commitment to staff wellbeing.

### **Priority usage**

The governing body will allow the use of premises in the following order of priority:

- School events
- PTFA meetings and events
- Staff only events in particular those that improve staff wellbeing
- Parents of children attending the school
- Other users, including private users, approved by the Headteacher, who will be sympathetic to the catholic ethos or needs of the community served by the school.
